

Online ordering begins Aug 25th!

Welcome St. Joseph families!

Good nutrition is only part of living a healthy lifestyle and the goal of providing nutritious meals for kids requires a group effort between the family, the school and the caterer.

We began servicing preschools and private and parochial schools in Orange County in 2001 and through the grace of client referrals, we quickly expanded to Riverside, San Bernardino & LA Counties. In addition, we offer full-service catering for corporate, government & school events for parties of 15-1000+.

Commitment to Quality

We believe commitment to quality doesn't end with the products themselves, but rather should be the backbone of everything we do. At Cater Tots Too, our commitment extends beyond the ingredients, through the preparation, into the vehicles for transport and the safety and maintenance of our facility, and within the relationships we build with our clients.

Allergies & Special Needs

As a corporate member of the Food Allergy & Anaphylaxis Network (FAAN), we are an allergy conscious provider. Although we cannot guarantee an allergen free environment, we do our best to ensure the safety of our products. For specific questions or concerns, contact our office prior to participating in our services.

Lunch Pre-Order Services

Pre-orders may be placed online at www.catertots.com. Families must first set-up a parent account using the initial school code (noted below) which will assign you to the right school for service. Once the parent account is initiated, child accounts may be created and the ordering begins!

Online orders or changes to existing orders are due by **9:00am** the business day prior to service (i.e. Friday by 9:00am for Monday). Half-day credit is available for same-day illness cancellations received by **8:00am** via email, voicemail or fax to the Cater Tots office.
