## Get to know...

### Mrs. Alamo-Ng

**Q:** What moved you to become our new principal?

**A:** Sr. Mary was an inspiration. I discovered Saint Joseph School was my home away from home. I believe in everything happening here which ultimately made it easy to say yes.

**Q:** How many people are in your immediate family?

**A:** My husband, Omar, my 4 year old Carmela, my 2 year old Aria, and my bird Elena. {Fun fact; Mrs. Alamo-Ng's bird was named after Princess Elena!}

**Q:** What makes you excited to come to work each day?

**A:** The people, students, warmth and kindness here at Saint Joseph.

**Q:** What is your favorite part about Saint Joseph School?

**A:** I love having the opportunity to share my faith unlike when I worked at public school for 15 years I had to pray silently. I could not publicize my faith. I am a strong Catholic and am proud to share my beliefs.

**Q:** What are some hobbies you partake in during your free time?

**A:** Running, reading, and having dance parties with my family after dinner. {Fun fact; Mrs. Alamo-Ng danced her whole life. She used to ballroom dance competitively and also did folklore, ballet, jazz, and many other types of dance!}

## SPORT'S CENTER

Congratulations to all the Vikings who have been working really hard on their sports teams. All the volleyball players, football players, and cross country runners showed dedication and commitment to their sports setting the bar high for our basketball teams who just finished their seasons. All of the runners or athletes specializing in field events keep an eye out for papers for the new track season which will be here before we know it.

## Beyond the Bell

This trimester there are so many activities you and your friends can participate in. Whether it is your first time trying one of our school's clubs or you are an expert, you will be educated in an interactive and exciting way. For kindergarteners-5<sup>th</sup> graders you may join Master Builders. 6<sup>th</sup>-8<sup>th</sup> graders may join the Yoga Club. 3<sup>rd</sup>-8<sup>th</sup> graders may join Vibrant Vocals. 6<sup>th</sup>-8<sup>th</sup> graders may join Drama Club. If you are interested in any of the above be sure to sign up soon! Space is limited!

## Classroom Corner

In today's newspaper our featured classes are...

**2<sup>nd</sup> grade** Second grade just had their Reconciliation for the first time and are excited to develop their faith more and more each day. They are one step closer to their First Communion and cannot wait to be more involved in the sacraments.

**4<sup>th</sup> grade** Fourth grade recently had their annual historical person day. All the students dressed up as an important person in our history and wrote a paper on them. They presented in front of their own class, parents, and visited other classrooms to share their knowledge. Not only was it a learning experience but a fun day the fourth graders look forward to throughout the year.

**5<sup>th</sup> grade** Fifth grade just finished taking tests on states, their capitals, and where they are on the map. Currently, they are studying the state assigned to them for their state projects. Eventually they will dress up as someone from their state. Not only is this class intelligent like all the others but is also very artistic. One of the students, Jenna Summers, made the comic featured in today's newspaper. It is very colorful and a funny situation that might happen in real life. It will put a smile on your face when you read it!
