## St. Joseph School After-school Clubs

Choose from one of the following options that will be sure to enrich your student's after-school experience.

### **Sewing Club with Mrs. Parmental**

Learning to sew by hand. In a world that seems to be moving further away from basics life skills, this club will empower your child and prepare them for an independent future. They will learn to: thread a needle, tie a knot, sew different stitches, do simple mending, sew a button, along with a couple of projects that will be brought home at the end of the 6 weeks. Students will also leave with their **very own sewing kit** (students will need to bring in a shoe box from home on the first meeting). We will have fun learning to sew so parents - you won't have to.

## MORE OPTIONS ON BACKSIDE

### Drama Club with Miss Brown

Would you like to express yourself self with confidence and strength? This is only the beginning to what one obtains from the fun, exciting and silly improv games we work on in our safe space called Drama Club. Come play ‘Zip-Zap-Zop’, ‘Bus Driver’, ‘Mirror-Mirror’ and so much more. These improv games drive communication building skills between groups and partners while playing and having fun.
